Here are important things to know. Please take time to read them all.

What to bring:

*Sewing machine, scissors, ruler, rotary cutter, cutting mat, sewing light, extension cord and anything else that makes your sewing experience comfortable. (Please label your belongings) Irons and ironing boards will be set up throughout the area. If you would like to bring your own iron, a small travel iron and mat is recommended.

*Cut out your projects before you arrive. It is easier to concentrate and you will feel as though you get a lot more done.

*Comfortable cushioned chairs are provided, but you are welcome to bring your own chair if needed.

*Personal items (toothpaste, etc)

*A snack to share.

*We will have water and coffee available. If you want a different beverage there are refrigerators in most rooms and ice is available.

*Anything else you need to make your weekend "comfy" (special pillow, ear plugs, slippers, coffee mug, etc.)

*A swimsuit and towel! This hotel has an indoor pool, hot tub and sauna. Take a few minutes to relax!

*We ask that you take your cell phone calls out of the sewing room as they are disruptive to our concentration on sewing, having fun and being away from the outside world.

On Saturday we will have a few brief demonstrations available during the day and some fun games with prizes in the evening. Door prizes will be handed out throughout the event.

Complete the form below, tear off and drop-off/mail with your deposit.
